

FILM FLORIDA SPONSORSHIP PACKAGES

ABOUT US

Film Florida is a not-for-profit corporation that provides a leadership role in Florida's film and entertainment industries by representing a coalition of interests, including private industry, local film commissions, industry associations and labor organizations. Its purpose is to offer to businesses and individuals the benefits of a statewide trade association to promote the creation of jobs in the film and entertainment production industries and to promote economic development and tourism.

Film Florida's sponsorship packages aren't your average sponsorships. Unlike most sponsorships where your investment is earmarked for one particular event, Film Florida sponsorships are year-round. When you become a sponsor of Film Florida, you become a member of Film Florida. Most of Film Florida's sponsorship levels give visibility at all of Film Florida's signature events, quarterly meetings, Florida film festivals, national industry events and tradeshows and more.
